DISCOUNTS

'CUT DOWN' DISCOUNTS

A 15% discount applies to a maximum of two 'cut-downs' in addition to the primary version which must be of greater duration.

CAMPAIGN DISCOUNTS

Apply if you are producing a series as part of one advertising campaign, across all broadcast mediums and territories, provided they are all licensed at the same time.

- 20% - 4-6 Ads in the campaign
- 25% - 7-9 Ads in the campaign
- 30% - 10+ Ads in the campaign

50% TAG ENDING CHANGE

Where a series of advertisements are produced and the only variation is the end line "tag ending" (e.g. "starts Monday, starts tomorrow"), the licence may be charged at 50% of the applicable rate, multiplied by the number of versions (including the primary version). This concession will only be granted for tag changes on ads licensed for the same duration and broadcast area, and approved by the APRA AMCOS Production Music Department.

DEFINED TERMS

Flat Fee: Clears unlimited use of production music per production.

All Media: All media refers collectively to mass media technologies: Television, film, radio, the Internet, digital platforms & storage media formats (DVD, USB, etc.).

Digital: Encompasses online streaming and downloading of media in all formats.

Download: Transfer of data or programs from a server or host computer to another computer or digital device.

Online Streaming: Referred to also as Internet streaming. It is multimedia constantly received by an end-user and delivered by a streaming provider. This is delivered by an audio-visual or audio production public announcement designed or intended to promote or encourage the purchase, use or support of goods and services. This includes programme promos or station identification.

ADVERTISING: PAGE 2

Advertisement (i.e. ATA, ATF, ATP, ARF, AOPE, AOPI, AOC, ARD, APD, AFD): An audio-visual or audio production as a public announcement designed or intended to promote or encourage the purchase, use or support of goods and services to a wider audience. This includes programme promos or station identification.

Campaign: A coordinated series of linked advertisements with a single idea or theme. An advertising campaign is typically broadcast through several media channels. It usually focuses on common

themes and one or several brands or products. They are often targeted towards particular demographics.

Community Service Announcement (CSA): An audio-visual or audio production designed or intended to inform the public of matters of public interest. It is transmitted to the public for no fee or other consideration. It does not promote the use of particular goods or services or solicit the sponsorship of any organisation. Rates for bona fide CSA's are available on application and are subject to the completion of a signed warranty. Contact the Production Music department.

Infomercial (i.e. ATI): Segments within or an entire programme which a broadcaster receives payment or other valuable consideration and which directly promotes goods or services offered to viewers for sale during the segment or programme.

CORPORATE CONTENT: PAGE 3

Audio Visual Production: A disc, tape or other device in which sounds and images or text are embedded. This includes audio productions containing electronic signals designed to control or trigger the representation of images, such as slides, computer graphics and images contained on a CD-ROM.

Digital (i.e. VND, VPD, UND, UPD): Encompasses both online streaming and downloading of media in all formats. Translations are included.

Download: Transfer of data or programs from a server or host computer to another computer or digital device.

Audio Production: A disc, tape or other storage device in which sounds are embedded.

Flat Fee (VNF, VPF): Clears unlimited use of production music, per production.

For Sale and/or Rental: Means a fee is charged to the audience or individual to whom the production is directed or distributed, specifically to view or listen to the production.

Looping: Where a piece of music (the initial reproduction) is reproduced repeatedly in a non-stop, continuous fashion for a predetermined or indeterminate number of times.

Premium: An audio-visual or audio production produced as a promotion or incentive provided free of charge.

Production: An audio-visual or audio production identified by a unique title and/or number applicable only to those audio-visual or audio productions with identical content.

Promotional: Drawing the attention of the public or a targeted audience, to a brand, product, service, person, organisation or line of conduct, in a manner which intends to promote or oppose it for the intended audience.

Online Streaming: Referred to also as Internet streaming. It is multimedia constantly received by an end-user delivered by a streaming provider over a network connection. This media can be in the form of audio or video. E.g YouTube or Vimeo.

TV & ONLINE PROGRAMMES: PAGE 4

Programme: A television/radio programme also called television/radio show, are segments of content intended for broadcast on television/radio. It may be a one-time production or part of a periodically recurring series.

Webisodes: A webisode is an episode of an audio visual series that is made

specifically for online broadcast, as opposed to first airing on television or radio. It is available via both download or streaming format.

Webisodes typically range from 3-15 minutes in length.

Podcast: A podcast is an audio programme that is made specifically for online broadcast, as opposed to first airing on radio. It is available via both download or streaming format. Podcasts typically range from 5-60 minutes in length.

FILM & TRAILERS: PAGE 6

Film: Film encompasses individual motion pictures, and the motion picture industry. Films are produced by recording images with cameras, or by creating images using animation techniques or special effects.

Trailer: A trailer or preview is an advertisement or a commercial for a feature film to be exhibited in the future.

Short Film: A short film is an original motion picture with a typical duration of under 40 minutes.

TERRITORY DEFINITIONS

Regional: Covers all of New Zealand, but excludes Auckland, Wellington, Christchurch and Dunedin.

Met Low (Metropolitan Low): Covers ONE of Wellington, Christchurch or Dunedin.

Met High (Metropolitan High): Covers Auckland only.

National: All of New Zealand.

World: Covers all territories worldwide.

If you require clearance for a specific territory, please contact us directly on 0800 69 2772 or pmnz@apra.co.nz
